

K.S.Rangasamy College of Technology

**Guidelines for filling up the assessment form by the HODs for the
Award of the Best out going student in each department**

1. Only students with no history of arrears from I semester to VII semester and who have no record of disciplinary action for misconduct (both inside the campus and outside) are eligible to be considered for the award.
2. The students may be asked to furnish the data about their performance to the HoD's concerned in a prescribed form. The facts mentioned by them are to be checked and verified thoroughly by the HoD.
3. After verification of the facts, the HoD may award marks in the assessment form objectively. Vague impressions about the student should not be the basis for the award of the marks.
4. Regarding the academic performance, the overall aggregate percentage of the student from I semester to VII semester may be reduced to a base of 40.
5. The attendance percentage may be verified with the help of data stored in CTCMS. The marks awarded should be proportional to the actual percentage of attendance. E.g. If a student has 86% attendance, he must be awarded 8.6 marks out of 10.
6. **Co-curricular activities.**
For paper presentation or participation in other technical events in other colleges 8 marks may be awarded as given below.
 - i. For each paper presented outside the campus, 2 marks may be awarded subjected to a maximum of 8.
 - ii. For each prize won outside the campus, 3 marks may be awarded for I prize, 2 marks for II prize and 1 mark for III prize. (if a student scores more than 4 marks for prizes won outside, the extra marks may be treated as bonus marks)
 - iii. For participation in such events inside the campus 4 marks may be awarded. For each paper presented or each event participated one mark may be awarded.
 - iv. For prizes won inside the college, 2 marks may be awarded for the I prize, 1.5 marks for II prize and 1 mark for III prize subjected to a maximum of 4. Here also bonus marks may be awarded, if a student has won prizes inside the college.

7. Extra-curricular activities

- For more participation in each item (sports, cultural events, etc) 3 marks maybe awarded.
 - For securing I position 2 marks, II position 1.5 marks and III position 1 mark may be awarded under each category.
 - If a student also wins the college championship in sports he/she may be awarded 5 marks as bonus. If he/she represents the University or State, then also 5 marks bonus may be awarded.
8. For activities such as association and social service, 3 marks may be awarded for participation and 2 more marks for leadership.
 9. For the contribution to the institution, he/she may be awarded up to 5 marks depending upon their contribution.
 10. Marks may be awarded on the basis mentioned above corrected to the first decimal and The HoD may finalize the best out going student and forward the list of students in tabular form with the marks awarded along with all the relevant papers to the convener of the certificate committee.
 11. The certificate committee will forward the list of students recommended for the award in various departments to the principal for his final approval. The Principal's decision will be final.
